

## 2016 Tom Gibbs Memorial Kelleys Island Race Finishes

The 2016 Gibbs race featured the first race-day abandonment due to an 8 hours time limit on Sunday's leg. On Saturday all boats were in by 19:30 with most arriving between 16:00 and 18:00. Great Scot raced spinnaker and therefore its 15:15 finish time on Saturday was not counted with the JAM fleet.

We did a pursuit start both days to simplify RC work and thus held down race costs. Starts were as early as 9AM for Nikn and as late as 9:26 for Copacetic. Finishes were registered in the place position they happened.
