

2016 MAST Race Finishes

The 2016 LSYC MAST race was run on Saturday, 30 July 2016. There were seven (7) competitors running the 21 mile course. The course laid the two MAST mooring buoys to port thus progressing around the triangle first to Hickory Stick, next to Morning Star and finally returning to the finish at Lorain.

The race used a pursuit start meaning each boat started at a specific time based upon their PHRF JAM handicap rating and the expected length of the course. The wind did not disappoint providing a 10 knot ENE breeze at the start which built to about 15-16 knots as the day wore on. Because the handicap time was taken at the start, finishers scored in the order they finished.

Place	Yacht	Finish Time	Duration
1	Great Scot	16:23	4:10
2	Copacetic	?	?
3	Blustery	16:43	4:30
4	Nikn	?	?
5	Tardis	17:29	5:29
Retired	Freedom		
Retired	New Beginnings
