January 2007

COMMODORE Kathy LaValley

Happy New Year to all! I hope everyone had a nice holiday season. This month brings us a Key West Party that will be held on Saturday, January 20th at 7:00 P.M. at the Club. See Darryll's article and future e-mail for additional information. The event sounds like a lot of fun. If anyone is interested in having a Valentine Brunch, please send me an e-mail (kb1384@centurytel.net) or leave a message at the Club. If there are enough interested people, I'll be happy to set it up. We've had great brunches the past few years.

Please note the Cleveland Boat Show is January 12 – 21 at the IX Center. It's a great way to get your mind on the upcoming boating season.

We still have docks available to rent for the 2007 season. If you know of someone looking for a dock, we would love to have him or her at LSYC. It's always great to get new members.

On a personal note..... I'd like to congratulate Bobby and Joyce on their marriage during the month of December. Best Wishes to you both!

See everyone at the Key West Party on January 20th.

Kathy

As I write this article 2006 is slowly fading away and the new exciting 2007 is approaching. Please be sure to check out the 2006 Reflections by our club historian, Paul Burik, in this month's news articles. If you aren't in one of the pictures, please be sure to volunteer in 2007 and be part of the excitement.

After the holidays we will be getting the gas dock ready for the 2007 season. It is planned to build an office for Bobby and to freshen up the retail area, an attic access will be installed with a pull down ladder. In the spring, we will be painting and fixing the outside of the building. I have several people who have offered to help with this project. After the New Year arrives, Bobby and I will be getting with you to schedule a time to get started. It will be an on going, do as time allows until spring arrives and the push to have everything ready will be easier.

I am looking into the requirements to have LSYC named a Clean Boating Marina for 2007.

PLEASE MAKE ONE OF YOUR RESOLUTIONS FOR 2007 – TO VOLUNTEER

The skippers meeting will be held at 7:30 PM sharp. The party will follow the lines of a regatta with an after race party. The club will provide Gutter Sailing Yachts for your racing enjoyment with awards and party after the racing. A flier will be sent soon with further details.

Diana Komar will be having a New Years party at the clubhouse to welcome in the New Year. It looks like it will be a lot of fun.

If there is anybody interested in hosting a weekend brunch this winter, please send me an email. letartan@adelphia.net

**SEA SCOUT SHIP 289 NEWS
SKIPPER LEO SULDA**

The Venturing Sea Scout Ship #289 of the Lorain Sailing and Yacht Club have been practicing their knots and chart reading and preparing for the next sailing season of 2007.

Ship 289 had their annual Christmas party after Christmas to accommodate the "College Sea Scouts" that are away the school year and don't get a chance to interact in our monthly meetings and activities. This year it was "Bowling for Presents". Everyone "won" a present. Pizza and cookies and pop were the main course for food.

Our new member Colin Boycik was introduced on his first activity and was awarded his personal Sea Scout Manual.

The Sea Scout Program is a success thanks to the members of the Lorain Sail and Yacht Club for Chartering us through the Boy Scouts of America. We are committed to character development, citizenship training and mental and physical fitness for youths (Boys & Girls) ages 14 to 20 years old. Please refer interested youths to me or have them call 440-934-4042.

If anyone has an old Force five main sail, we will buy it for a tax deduction! as a donation Please call.
