

LORAIN SAILING

Volume 10– Issue 5

MAY 2006

Vice Commodore Kathy

Work Day was a huge success. I would like to thank all of you that participated. If you were unable to help, please phone Bobby and set up a time that you can help with items that weren't completed due to the weather. You really feel a sense of accomplishment when you participate and make the club "yours". And, believe me, everyone appreciates your help. On that same note, we are obtaining pricing from companies to install a combination lock system on the clubhouse door. When this has been installed, the combination will be sent to all members who hold an Active membership. The next item Chris and I will be working on is lighting outside the clubhouse.

Dock repairs and improvements are underway. Atlantic-Meeco worked from April 10th through April 17th and will be returning on April 24th to complete their work. Thankfully, we had wonderful weather and they were basically able to work all of the days they were here. They even worked on Easter and, thanks to Joyce Ruff, had a wonderful Easter dinner prepared for them. Thanks Joyce! Hopefully, by the time you are reading this, all dock repair and improvement work will be completed.

Thanks to everyone who contributed Fool's Stew and/or labor to get the club ready for spring.. We had a good time and good food!
April 8th we saw the

hilarious and spicy "Full Monty" at the Beck Center. If you have another chance to see this –be sure and go. It was a lot of fun.

April 29th is a big event! Lynn Ensinger will be in the kitchen with her helpers cooking spaghetti dinners. The fundraiser will help send the kids to Put N Bay for race week. Last year was their first year attending as representatives of LSYC and they won the Sportsmanship award. (Go team!!!) Watch for a flyer coming out as a reminder to *Support your Youth Sailing Team!*

JUNIOR SAILING NEWS

Junior Sailing Spagetti Fundraiser April 29, 2006 th

The second annual Spagetti Fundraiser for our Junior Sailors was again a great success! We raised approximately \$750.00 for the Junior Program, thanks to our club members who were able to attend and support our kids sailing. Good food and a lively raffle were enjoyed by everyone who attended. This year we had a "Chinese" raffle thanks to April Yanda who did a great job coordinating! Thanks to April and Tim! Roz Martin and granddaughter Vicki Davis did a stellar job with decorating the clubhouse and creating an "Italian" atmosphere including Italian music and attire. The "Sea Scouts" also contributed to our efforts. Thanks to Leo and Paul! The kitchen crew who consisted of:

Roz Martin, Maggie Gormley&Catie&Patrick, Denise Rychel & Jessie, Fran Burik, Linda Peters, and Joyce Ruff did an outstanding job! They made sure that the spaghetti and salad were tasteful and served with a smile! Jim and Ray Peters, Seth Parker, Nathan&Chris Kwilecki and Bobby Rhodes supported everything from taking money and the door, running last minute errands, and clean-up duty. Thanks also go to everyone who contributed raffle items for the evening! There were some great prizes including a framed sailing picture donated Ray Peters. Junior fundraising will be ongoing as it supports every facet of our program in providing for boats, sails, equipment, regatta racing fees, camp expenses, etc. We are still in need of volunteers to drive safety boats and assist with Junior Camp scheduled for June 26-30, 2006. We have several kids already registered for Junior Camp. Thanks

Warm days, cool breezes and safe boating to all !
