VOLUME 13, ISSUE 11

NOVEMBER 2009

## Commodore Headley's Headlines

### INSIDE THIS ISSUE:

### SPECIAL POINTS OF INTEREST:

- *Change of Watch*

- *Fall Clean-up*
- *Volunteer Appreciation Dinner*
- *Sea Scout News*

While I was commodore I had two goals. Do not burn the club down and keep it out of bankruptcy. To my surprise the goals list and the things to do list got longer and longer. Your 2009 board has gotten most of everything we set out to do done with some small items left over. Everything that LSYC has accomplished during this year could not have been done, let alone done with this level of success with out a great board and host of volunteers who just seem to always show up when you need help. There is no way I can thank

those members enough for making this year such a big success. I am looking forward to seeing everyone at the change of watch on November 7<sup>th</sup> starting at 6:00 PM. Please look at the address on the invitation so that you do not show up at the wrong Rose. The COW is at the Rose Bud on Oberlin Ave. Bobby can assist if you need help with the location. This year the COW will have a \$250.00 gift certificate from KB Marine as a door prize. Tickets will be given out at the door and the winning ticket will be drawn at 10:45. You will need to be there to win. KB

Marine can get you power boating items too.

Again I want to thank everyone for making this past year a great one. Best of Luck to the new LSYC board. Make it even better in 2010!!!

Next year you will be able to find my family at a regatta near you or maybe far away, who knows.

### Commodore Darryll

## FROM AMIDSHIP—VC ROY HOLLOWAY

By now most if not all of the boats will have been put away for the winter and another boating season has come to an end. We hope that everyone had a great season and like us is counting the days until the boats get wet again.

**Garage Sale:** On Saturday October 17th LSYC held its first "garage sale" for a couple hours before the General Membership Meeting and annual clambake. There was a fair amount of gear for sale (trade) and some folks went home with more than they came with so it was probably a good event for all.

**Dock Repairs:** We are glad to report that all the dock repairs have now been completed and a big "THANKS" to Ed Ferraro and his crew from Buckeye Sheet Metal. We have noticed some flexing of the docks, especially

on "D" dock, which loosens the planking screws. If you happen to notice one, please screw it in or let Bobby know of its location.

**Storm Alerts:** Recently we had two Gale force storms hit LSYC within about a week of each other which caused dock lines to snap, fenders to pop and several bow pulpits to bend. At one point the water level had dropped almost 4 feet.

Although LSYC is not responsible for your boat, LSYC will attempt to send an e-mail when such a severe storm is forecasted. It is our attempt to alert you to prepare your boat by adding extra dock lines, fenders, etc.

**Cruising:** I am pleased to announce that Jim Morse will be LSYC's Cruising Fleet Captain for the 2010 season. Jim assisted in this year's week long cruise and was instrumental in planning and running the very popular mini-cruise to Edgewater Yacht Club. Look for Jim to plan some great cruises for next season.

We look forward to seeing everyone at this year's Change of Watch being held on Saturday November 7th. If you have not received an invitation, please contact Bobby.

## REAR COMMODORE—KEITH MARCH

to take this time to thank Matt Pompeii for his, yet again outstanding clam bake! We had a nice selection of soups and chili for the fall clean-up. Thanks again volunteers who brought soup & chili, we enjoyed! I hope to see everyone at the change of watch (C.O.W). Until then if you need to reach me feel free [marshkeith@aol.com](mailto:marshkeith@aol.com)

I hope you had a chance to attend LSYC annual Clam bake. I would like

### BOBBY RHODES—OPERATIONS MANAGER

Saturday November 14th 6:00 PM

#### Volunteer Appreciation Dinner

This year we will be having a catered dinner at the Club for all who volunteered in any way this year.

This is for anyone helping with the race committees, social events and all the other ways you have volunteered.

We do not want to overlook anyone so it is up to you to tell us you will come.

You all know who you are and bring your spouse.

Call Diana Komar @ 440-610-1430

You can also RSVP by calling the Club @ 440-288-0500 or email Bobby at [manager@lsyc.info](mailto:manager@lsyc.info).

We could not have had a successful year without **YOU!**

RSVP deadline is November 7th.
