

LORAIN SAILING

Volume 9 – Issue 10

October 2005

Commodore Burik's Bulletin

The boating season is rapidly closing and soon the boats will be coming out of the water. Remember to make your haul-out appointments with Bobby Rhodes. By now you have received your dock renewal packets so do not miss the October 15th deadline. I am happy to report that the Board voted to keep the dockage rates the same for 2006.

I am sorry to report that the September fish fry did not materialize this year, but we made our bid for next year with the Polish Fishermen's Club. The next event, the annual clambake, is scheduled for October 22nd! Note; this is different from the date posted on the LSYC calendar! This change accommodates the volunteer cooks, and will coincide with the Fall Work Party which starts at 9:00 AM. So be sure to mark down October 22 as a LSYC day! To make it a full day, the last General Membership meeting is scheduled for 5:00 that afternoon. Election of new Board Members will be held, as well as a vote on proposed requirement for active membership as a condition for summer dockage at LSYC. The Board felt that all dockers should have vested interest in the Club's activities, and Active Membership should facilitate greater participation. The General Membership Meeting will be followed by dock bidding for those wishing to obtain a dock or a new dock location. The clambake will follow. Remember that advanced reservations are required!

The Change of Watch is not too far away. This year it will be held at Westlake Holiday Inn on I-90 and Crocker-Basset. (as you know Spitzer hotel is closed). I have seen the DJ and the man/woman duo singers generally gets everybody on their feet. So save the evening of November 12 for the awards, the food, dance and camaraderie of the event.

In the past issues I featured various board members. Jack Hunt is a new member serving as a trustee on the LSYC board. I only wish I had my camera several weeks ago when Jack with a finely pressed white shirt, sleeves casually rolled up, and long trousers, cigar in his mouth, was at the tiller of his immaculately restored Cape Dory "Jack Daniel". His wife Carol in a flowing summer dress, with straw hat sitting in the cockpit, going out for a Sunday afternoon sail. All you had to do is squint your eyes to add little grain to this picture, for it could have been fine painting by Monet or Boudin. Well, I did not have my camera so this narrative must do. Jack, thanks for the memories.
